

## A GREEN OPPORTUNITY FOR SENIORS

**2009 GREEN FUND:** This is a fund established in honor of this green class. The fund will support environmental initiatives on-campus, environmental stipends, environmental internships, and programming involving sustainability and the environment. In the 2009-2010 academic year, students will be able to apply for grants from this fund through the Environmental Studies Department. For questions please email Anne Westermann (awesterm@wellesley.edu).

**ONLINE GIVING** In an effort to be environmentally friendly, we are encouraging all seniors to make their gifts online. Please visit our secure system at: [www.wellesley.edu/resources](http://www.wellesley.edu/resources)

Seniors who make a gift (minimum \$5) will receive a Class of 2009 champagne flute as a token of appreciation.\*

\*There are limited quantities. Flutes will be given out first to those who donate early.

## SHOW YOUR APPRECIATION WITH CAS

**Community Appreciation Society (CAS):** With each gift of \$35 or more, seniors can nominate any Wellesley employee (faculty or staff) into the CAS. Faculty or staff nominated will receive a letter of appreciation notifying them of their membership in this society. Also, before graduation a reception will be hosted for students and their nominees. This is a great way to thank someone who has made a huge impact on your Wellesley experience. Please list nominees on the other side of this form or indicate in the comment section online.
